Case No. 2:13-cv-00596-JAD-GWF

ORDER

This matter comes before the Court on Plaintiffs' Request (#43) for the Court to deem service of process effectuated on Defendant Patricia Cesspooch, filed on October 29, 2013. The Court ordered Plaintiffs to serve the Request on Cesspooch on November 1, 2013. *See Order, Doc. #44.* Plaintiffs filed a certificate of service (#46) for the Request on November 4, 2013. Cesspooch has not responded to the Request.

Under Local Rule 7-2(d), the failure of a moving party to file points and authorities in support of the motion shall constitute a consent to the denial of the motion. Plaintiffs have not provided any authority in support of the instant Request. Specifically, Plaintiffs have not demonstrated that the manner in which they attempted to serve process on Defendant Cesspooch is a valid form of service. Without adequate support, the Court will deny the Request. Accordingly,
